

Now available from Nearly Me Technologies...

**NEARLY ME®**

**#510/#511 POST-OP LIGHT  
COMPRESSION BRA**

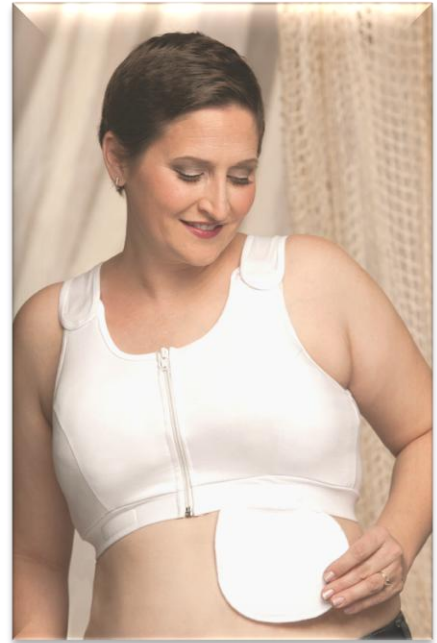

**Adding to our After-Surgery product line-up, NEARLY ME® is now offering a comfortable and convenient post-op bra.**

This new Post-Op Light Compression Bra provides support after surgery in a soft, breathable cotton fabric. It features a front hook/zipper combination and Velcro fasteners on the straps to ease application and removal as well as to simplify drain management. The cups have a soft, cotton liner to protect tender skin and the breast form.

The Post-Op Light Compression Bra includes one(1) drain pouch and is available *with and without* NEARLY ME® Fiberfill Puffs. Additional drain pouches and Fiberfill Puffs are available.

**Additional Information:**

- #510 Post-Op Light Compression Bra *without* puffs
